

# Wonderlic Basic Skills Test - Ability-To-Benefit

## Description

The Wonderlic Ability-to-Benefit (ATB) Program features the most widely-used ATB admissions test in the nation - the Wonderlic Basic Skills Test. Approved by the U.S. Department of Education for all ATB Title IV programs, the Wonderlic ATB Program is a fast and efficient way to evaluate incoming students for program eligibility.

The Wonderlic Basic Skills Test – Ability-to-Benefit quickly measures basic verbal and math skills in two separate 20-minute tests. In addition to the test materials, the ATB package includes certification of your preferred test administrators (ITA/CTA), online practice tests, statistical reporting, and online official and unofficial scoring\* so you can begin the admissions process without delay.
